

Jerry's ally

Jerry Chu and some others who work in the same building are going in the elevator.

I think we are a bit too crowded in the elevator.

Yes we need to be 4 people in the elevator.

Excuse me Sir with golden glasses, could you please take the next elevator?

I am very upset. I was coming up the elevator and a woman asked me to move out and take the next elevator because of my appearance.

Don't be so sensitive Jerry.

Hi I am Jerry Chu, born and raised in Quebec. Yet I face racist looks and taunts on a regular basis. Do you want to know the terrible experience that thousands others in a similar situation go through at workplace ?

Window of Quebec (WoQ) is an innovative technology program of ZMQ Global to create awareness on racism and discrimination in society using digital stories. The program is supported by Canada Heritage under the Anti-Racism Action Program.
