

Sandra's Fear

“Hi, my name is Sandra. I was born into a black family. I saw my mother and all the other ones be afraid when their sons came out. My ancestors have been dealing with this for centuries and now I am a mother of two black teenagers myself. Sometimes I get so scared that I feel like my heart stops. It is an open secret that law enforcement in Canada is suspicious of Black youth. How long will this systemic racism continue?”

Window of Quebec (WoQ) is an innovative technology program of ZMQ Global to create awareness on racism and discrimination in society using digital stories. The program is supported by Canada Heritage under the Anti-Racism Action Program.
