

Prejudice against Farah

“Hi, my name is Farah Rahman. I am a certified nurse and been working for almost 6 years. I have faced prejudice all through my life, in school, university and even at workplace. The racist remarks against my Hijab have become a lot more common and overt in past years. Do you want to know how has it impacted my life?”

Window of Quebec (WoQ) is an innovative technology program of ZMQ Global to create awareness on racism and discrimination in society using digital stories. The program is supported by Canada Heritage under the Anti-Racism Action Program.
