

Maria's continuous struggle

“My name is Maria Kawâhkatos, I am from a Cree community. All Indigenous communities in Canada are faced with hurtful comments and deep-rooted prejudices. Do you want to know how we are still being discriminated against in Canada?”

Window of Quebec (WoQ) is an innovative technology program of ZMQ Global to create awareness on racism and discrimination in society using digital stories. The program is supported by Canada Heritage under the Anti-Racism Action Program.
